### Character

Your outstanding character is that of sympathy, mingled with hospitality. You have a great urge to make others a little happier for having met you. No higher quality could be possessed than this but it is one that may be carried to excess. You spend lot of time and money for the sake of others. Your tastes are of a cultured order and, at heart, you have a love for literary and artistic work of a high grade, though the commercial existence, which you must probably follow, may force them out of sight. Regarding money, you have peculiar views. At times you deny yourself legitimate necessities and at others, you spend somewhat recklessly. You will always give in response to the call of charity. On some occasions, you put yourself to considerable trouble in order to save a few rupees on the price of an article you desire to purchase. Your chief weakness is that you are somewhat easily impressed. In fact, you believe too much of what you hear. Unscrupulous people are quick to notice this defect in you and they are certain to trade it sooner or later. Therefore, be on your guard and avoid being victimised by someone who may come to you in the guise of a friend.

### Happiness And Fulfillment

You are a person who live in fantasy. Hypersensitive, many of you have inferiority complexes, feeling slighted by taking the most unrelated incident as personal insult. It is important that you do not indulge in drugs or alcohol, for this adds to your unclarity. You be honest with yourself and others, and attempt to be as realistic as possible, for you tend toward escapism. Music, colours and nature are very positive in smoothing your overly sensitive being.

### Life Style

Children will give you tremendous motivation to set goals and accomplish them. You feel a responsibility to them and must not let them down. Use this motivating factor to its fullest, but be sure that your are doing what you want to do and not directing your efforts in an area which you do not like just because of your sense of responsibility.

### Career

Since you like to unite both sides of an argument, law and justice would be good fields for you. You could also do well as labour mediator and any other positions in industry where you are called upon to create and maintain peace and harmony. Try to stay clear of profession which require instant and constant decision, because you find difficulty in making them quickly.

### Occupation

There are many forms of work that you could take up with entire success. All those occupations that depend, primarily, on passing examinations are within your range, since you are quick to learn and the grind necessary for their success is not a matter that irritates you. Your capacity for detail is valuable in a thousand widely different jobs. You would make an excellent journalist, not a bad detective. As a teacher you would be probably very good whilst your facility for remembering faces would be a valuable asset as a shopkeeper. What panders more to a customer's vanity than to be able to tell him everything that he discussed on his last visit ? You have a wonderful gift for doing this. As has been said, you are not exceptionally good in posts where leadership is required. But you would do well in almost any capacity where decisions have to be made. You are not fitted for the work of a commercial traveller and, generally speaking, the sea does not attract you.

### Health

Above all things, you must avoid overwork and overstrain. You are prone to both and your nature is such that they are particularly harmful to you. Be careful to get sufficient sleep and do not plan things while lying in bed. Try to make your mind a total blank then. If possible, look upon the week-end as a time for complete rest and not one in which to do all the odd things that have been held up during the week. Too much excitement is decidedly bad and a time of hurry and flurry will take more out of you than it will from most people. Therefore, try to live a serene and peaceful life. Do not worry over what cannot be helped. You are apt to suffer from such complains as insomnia, neuralgia, headaches and eye-strain after the age of 30.

### Love Matters

Love comes early in your life and when it comes, it strikes a very ardent note. But big flames die out quickly and you are out of love many times before the final choice is made. Probably, the wedding will not be an early one, nevertheless, it will be a happy one.

### Finance

The question of finance will be a very peculiar one for you. There will always be a likelihood of considerable uncertainty and fluctuation in money matters, but you will, at times make large sums of money by your inventive ideas. You will be inclined to live in a land of dreams and illusions and meet many disappointments. You should avoid all speculations and gambling of every kind. In money matters for you, the unexpected is more likely to happen than the expected. Original ideas and plans will be born in your mind not inclined to fit in with other people's views. You will make money by unusual methods, you could become an inventor or an unconventional professional. In many ways, in inventions or businesses connected with risk or chance, you will be lucky. You will have clever original ideas as to how things should be done but as you are not likely to get on easily with partners, you are liable to see many of your excellent plans come to nothing.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Third house from Lagna, while in the Moon chart Mangal is placed in Eleventh house.

**Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.**

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

### Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
